

Dear Class of 2024 Graduates:

CONGRATULATIONS! We hope that you are as excited as we are about the statewide graduation ceremony for Webster University Florida. We are busy making arrangements so the event will be memorable for you, your family, and your friends. This letter will advise you of some important details. If you have questions, or if we can be of any assistance, please contact:

Orlando: 407-563-4770 or email [krissiclapper@webster.edu](mailto:krissiclapper@webster.edu)

1. Graduation will be held on **commence at 11:00 AM sharp and will last until approximately 11:00 AM will have to wait to be seated. In order to have an accurate count of students and guests, complete your RSVP HERE: 17.84490.6d3.**

6. Please ask your guests to refrain from taking photos during the ceremony. The graduates will approach the stage one campus at a time. When it is your turn, you will hand your information card (distributed during sign-in), which lists your name and degree, to the announcer. You will then proceed onto the stage where another stage official will hand a Congratulatory Letter to you and you will pause for the photographer. Then you will continue across the stage with the other remaining stage officials and return to your seat.
7. At the conclusion of the ceremony the recessional will leave the auditorium in the same order in which it entered: stage party, faculty, and graduates.
8. Once all graduates have left the area, they may be joined by family members and guests for pictures, etc. in the front hall. We request that all pictures be taken with family and friends AFTER the ceremony.

9. A student who completes a degree program (bachelor's, master's, or doctoral) will receive a diploma from the university.
