

USING THIS GUIDE

This guide has been published to assist students in preparing for transfer to Webster University's Central College in the area of Psychology. This should not be used in place of individual academic advising. Students are strongly encouraged to meet with a Webster University transfer admissions counselor early in their academic career to ensure a smooth transfer experience.

48 credits

58 credits

ABOUT THE DEPARTMENT OF PSYCHOLOGY

The Department of Psychology provides students with a solid foundation in the major theoretical perspectives of psychology and its scientific approach. By studying psychology at Webster, students attain a broad understanding and appreciation for the complexity and diversity of human behavior within a global context. Through the psychology curriculum, students learn about both the scientific and applied areas of psychology from a range of perspectives including biological, clinical/counseling, cognitive/learning, lifespan developmental, and social/cultural.

WEBSTER DEGREE REQUIREMENTS

A minimum of 12 credit hours consisting of the following:

X

COURSE EQUIVALENCES

Consult a current [Webster University catalog](#) for the specific requirements of your major before selecting courses. Not all courses apply to all majors.

Transfer students can apply up to 8 credit hours of approved PSYC coursework in the psychology major from another institution.

Webster University Course	East Central College Course Equivalent
