

The management program examines the relationship between an organization, its leaders and employees. This program is designed to help students develop the competencies as both a business professional and scholar practitioner capabilities to drive growth and innovation. In this program, students will acquire skills necessary to effectively manage people, analyze management problems, develop sound business practice and communicate effectively.

The Department of Management at Webster University has been designed to meet the needs of younger students as well as mature adults who have had business and professional experiences before completing their academic careers.

The Department of Management at Webster University's program of B.A. Management with an emphasis in Human Resource Management is aligned with the [Society of Human Resource Management](#). (SHRM) Interested students should speak to their advisor within the department upon transferring

WEBSTER ADMISSION REQUIREMENTS

When considering an application, Webster looks for evidence of potential for academic success. A cumulative GPA on college level coursework of at least 2.5 on a 4.0 scale is preferred; however, each applicant is given individual consideration. If you have circumstances which might affect your admission this may be discussed confidentially with a member of the admissions staff. The University operates on rolling admission, and application files are reviewed by an admissions counselor as soon as all requested credentials have been received.

Each transfer applicant must submit:
A completed
